The Management,
Aduvie International School, Abuja.

Dear Sir/Ma,

Application for the Position of ICT Teacher

I am writing to express my interest in the position of ICT Teacher at Aduvie International School. With a solid background in Information and Communication Technology and a deep commitment to educating young minds in digital literacy and 21st-century skills, I am confident in my ability to contribute meaningfully to your academic team.

I hold qualification in COMPUTER SCIENCE and have experience teaching topics such as computer fundamentals, Microsoft Office applications, internet usage, computer programming, and computer hardware. My lessons are practical, student-centered, and designed to equip learners with the technological skills needed in today's digital world. I also integrate modern teaching tools, educational software, and interactive content to make learning ICT engaging and relevant.

My strength lies in simplifying complex ICT concepts for students at various learning levels, from Junior Secondary to Senior Secondary. I am also experienced in managing computer labs, maintaining hardware and software systems, and supporting students in ICT-based projects.

I am particularly drawn to Aduvie International School because of your focus on academic excellence and innovation. I would be excited to bring my dedication to teaching, and enthusiasm for technology to your institution.

Please find my resume attached for your review. I am available for an interview at your convenience and look forward to the opportunity to further discuss how I can contribute to your school's ICT program.

Thank you for your time and consideration.

Yours faithfully,
Umoh Ekpo Umoh
